Here is a quote from the very first director-general of the World Health Organization. Ruminant on this one.

HIV+ Biological Male Transgender 'Breastfeeds' Baby Chemically-Induced Chest Secretions – the insane are truly running the asylum – ARTICLE

Governor Mills Signs Death with Dignity Act – Maine joined several other states that will overrule God. This is going to lead to MANDATORY/FORCED euthanasia one day. That is the real goal. Remember when abortion was declared a constitutional right they said abortion would be **RARE** and never after 12 weeks of pregnancy. Read the testimony during Roe v. Wade. And look at where we are today. Abortion is a normal course of business and we are murdering babies right up to birth and eventually it will go beyond birth. Look at Canada. If you read the article attached the verbiage describing Death With Dignity is exactly how MAID started out in Canada and today they are offering MAID to children, people with mental illness, people who cannot afford to pay their bills, people who need expensive medicines or medical equipment. Death with Dignity is not about death with dignity. It is how they will bring in MANDATORY/FORCED death in the future. They HATE us. They want as many of us DEAD as they can kill by any means necessary. The issue is NEVER the issue!! Maine's Governor signed this in 2019. Did you hear about this on any media outlet?? Do you know that there are about 11 other states that offer this "compassionate" choice. Thanks to Steve S. **ARTICLE**

That horse left the stable a long time ago. The world has woken up. It doesn't take every single person, but we've passed the critical mass of people who would nod their heads to this nonsense.
